

FISCAL NOTE

SB 1625 - HB 1049

March 23, 2005

SUMMARY OF BILL: Requires the courts to hear non-IV-D child support cases within 30 days of service of process instead of 45 days as required under existing law.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant
Increase State Revenues – Not Significant

Assumptions:

- The Department of Human Services will not realize an impact since the bill does not apply to cases under Title IV-D of the Social Security Act.
- Some increase in cases in the court system, which will result in additional state expenditures for processing the cases and additional state revenues from fees, taxes, and costs collected. However, such increases will not be significant.
